Gentlemen -

Yours of 21st inst.
with the Clark notes enclosed.

Very satisfactory & you will find M.O.
for \$150 enclosed to pay for same.

In reference to the 1904 Proof set - are
you not a little high in the price?

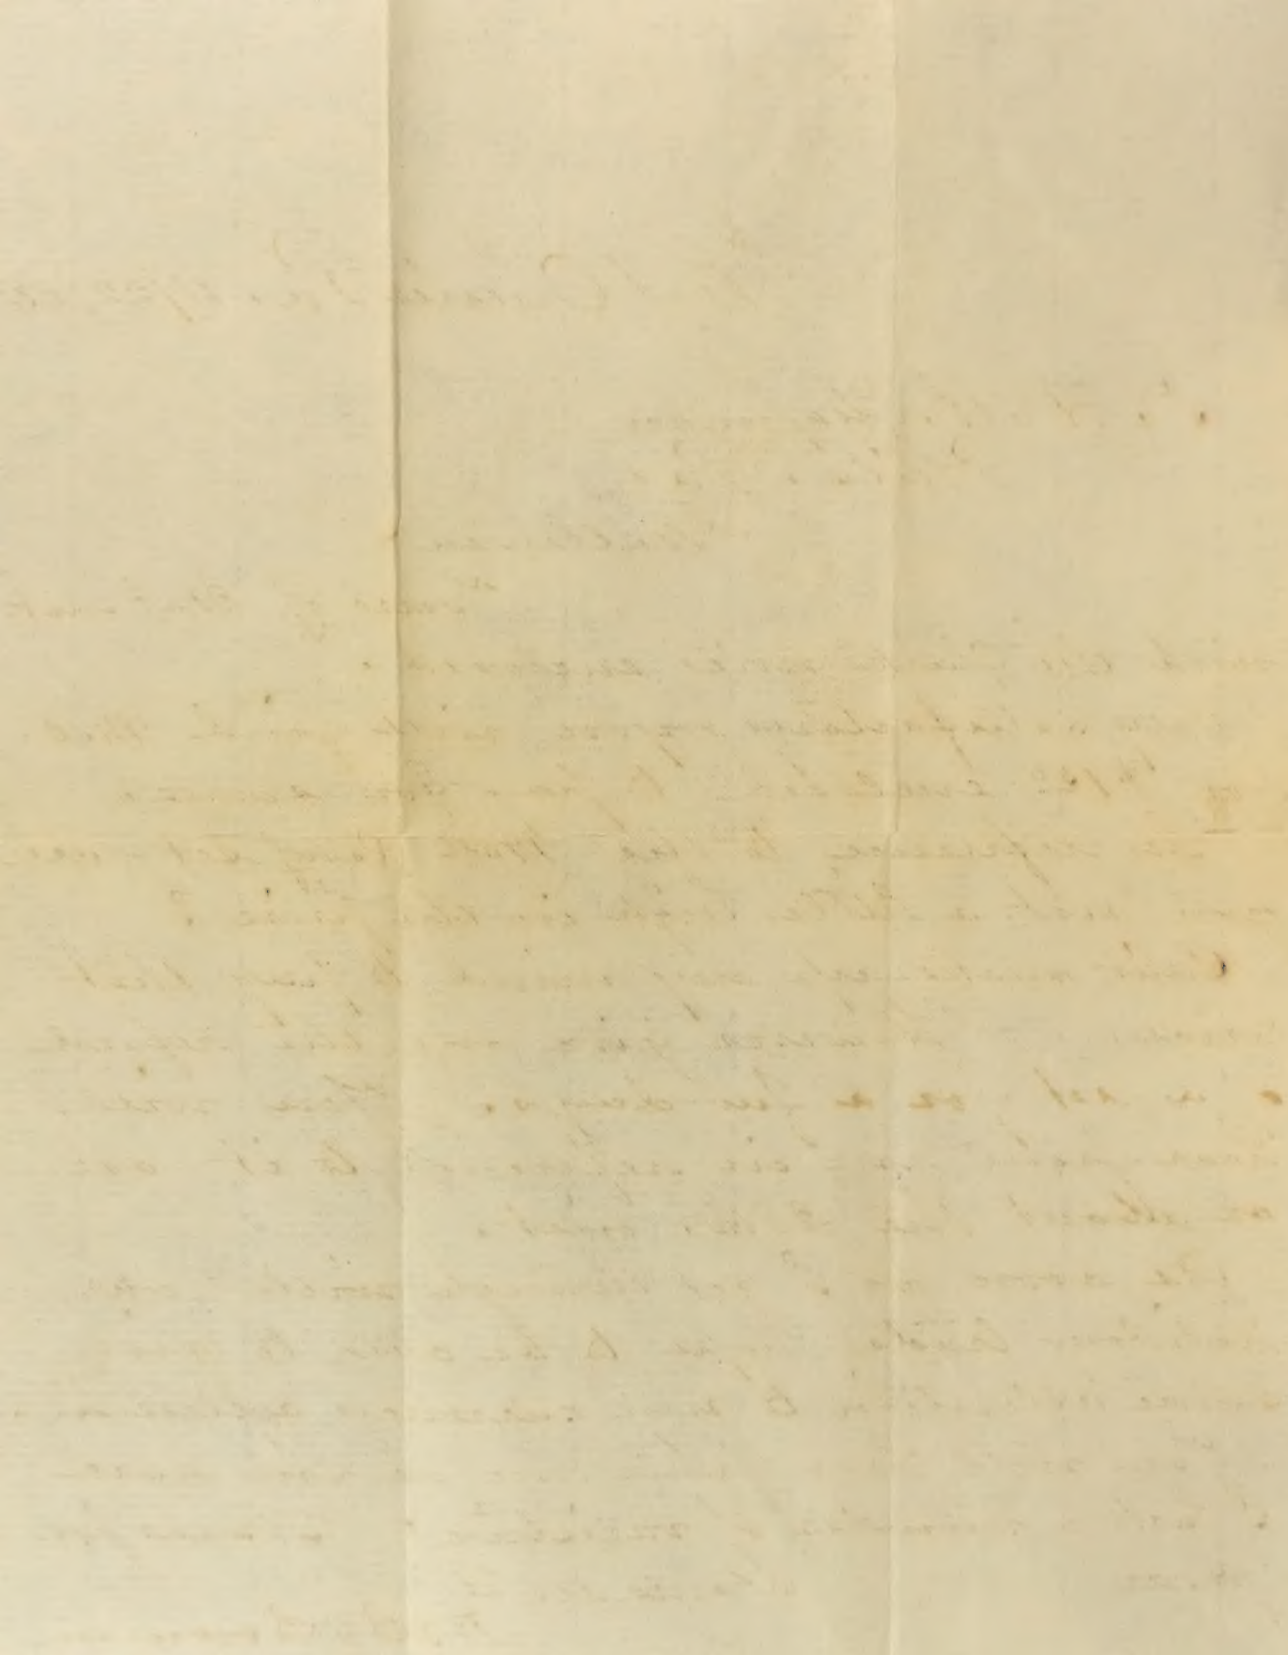

Can't make up my mind to pay that
price. However give me the refusal
of a set for a few days. You will
hear from me in reference to it on
or about the 20th. inst.

As soon as I get through with our
Holiday trade. Hope to be able to give
some attention to my currency collection.

You will hear from me as I'm sure
I lack a number of varieties. Thanks for
favor

Yours respt

Gentlemen -

Enclosed find
\$10⁰⁰ for which send me the full
1904 proof set - including the Proof Dollar.

As I have the proof set minus the
dollar I feel I'm paying a stiff price
for it but as I have these full proof sets
from 1879 to date can't afford to have that
one hole.

Deliver the coins securely wrapped
to the bearer.

Respt yours

Gentlemen,

Yours of the
28th. inst. rec'd. You say you will
"try to get it" (the proof set) & send it to
me. I evidently called your "bluff"
for you said "we have only a few of
these sets &c". Now if you have
not got the set when this reaches
you don't get it but return my
money, as I have the refusal of a set
at \$5⁰⁰ now. I have the 1904^{set}
(3 of them) in proof, but lacking the proof
1904 dollar & that is what I am after.
